

## **Food Support**

We are all aware things are difficult for many families within our community and only set to become more difficult as rising prices across many areas begin to bite.

Heron have kindly donated various food items to help support local families in these difficult times to the Scawthorpe Community Center.

In partnership with the Community Center, Castle Hills are delighted to be able to help distribute bags of food to any family who needs one.

They will be distributed from the side doors of the main hall (near to the school entrance) from 3pm to 3:45pm each Wednesday. Beginning on the 23<sup>rd</sup> of February

If you would like to receive a regular parcel, kindly leave your name with the staff member and we will make arrangements.

We all need help and support from time to time, please accept this genuine offer of help. This is a no strings attached offer please do not go hungry through pride.

Initially Food bags will be given on a first come first served basis.

15 bags are available this week.
